I sincerely would like to thank Ms Nicole and Yih En's teachers for being so understanding and supportive of Yih En. You've made a difference to Yih En's life and we will always remember the kindness you've shown her.

I Love JHS. It's the best learning environment a child can have! Words can't express!

Mrs. Tanya Singh (mother of Veer Singh)

Both my sons have attended JHS from 2007. Can't speak more highly of the school teachers. Perfect environment for the young minds to blossom and think. Always giving that one step ahead to create a brilliant school.

Thank you teachers for your guidance and patience with Mael. We have noticed a marked progression Mael's ability to carry on a meaningful conversation and recognition of daily objects. We are especially happy that he is very positive about going to school and looks forward to school the next day to learn and interact with his school mates.
