

The JHS Community

JHS Montessori Kindergarten formed our very own JHS Parents' Group in April 2010.

The group actively helps the school with activities.

Some of the events which have been planned were:

- Mother's Day 'Movie Night'
- Father's Day 'Cooking with Dad'
- Racial Harmony with K2s being 'entrepreneurs' for a day
- K2 Weekly Reading Programme
- Sports Day
- Year End Concert

More about the group...

This group of volunteers will together with the school organize events and plan activities for the children throughout the year.

As some parents are able to commit more time compared to others, joining the group does not require you to organize and participate in all the planned activities. Your commitment towards the group can be on an ad-hoc basis.
